# HP Accessories. The perfect match for your PC.

THE COMPUTER IS PERSONAL AGAIN.

## HP Wireless Laser Comfort Mouse

**Wireless technology that works anywhere**

Travel with confidence with the HP 2.4 GHz Wireless Laser Comfort Mouse. The mouse is energy efficient and it has a laser sensor with adjustable sensitivity which will work on any surface.

- **Longer range of operation**
  The HP Wireless Laser Comfort Mouse's advanced 2.4 GHz wireless technology means you can work anywhere and still stay connected, with much less interference and a longer range of operation.
- **Sculpted and symmetrical**
  This mouse has a symmetrical, sculpted design, so it's perfectly comfortable for both left- and right-handers. And the rubber sides provide a smooth, secure grip, so you'll always be in control when you're working.
- **For maximum convenience**
  Don't lose your mouse! Take the Wireless Laser Comfort Mouse anywhere with you, knowing it's safely stored away. The micro-receiver is so tiny you can store it in your notebook, or even inside the mouse itself.
- **Perfect for any surface**
  Take your mouse with you when you're out of the office. Need to work from your sofa at home? No problem: this mouse has a laser sensor with adjustable sensitivity, so you can use it on most work surfaces.
- **Stay productive at all times**
  The HP Wireless Laser Comfort Mouse's five programmable buttons include a 4-way tilt smooth scroll wheel with middle rubber trim to give you great control, while the blue LED scroll wheel indicator shows adjustable sensitivity and low battery.

- **Compatibility:** Compatible across all notebook and desktop platforms
